

Patient Checklist

- I have my co-pay with me.
- I have my insurance card and picture ID with me.
- I haven't had anything to eat or drink since midnight.
- I took any needed medication with a small sip of water.
- I am leaving all my valuables at home.
- I have loose clothing to wear.
- I have my Surgery Center folder with me. The paperwork includes my **signed Consent** , **my list of medications**, and my **pre-admission form** completed.
- I have a ride to and from the Surgery Center.
- For a GI, Pain, and some Surgery procedures a person must stay at the Surgery Center the entire time I am there. Ask the receptionist if this applies to your procedure.
- Because I will feel tired, I understand someone will need to stay with me over-night at my home if I have had general anesthesia.
- If I need crutches, I have arranged to get them before my surgery.
